## Sewing Instructions

### 1. Prepare the Ears

- Place one outer ear piece and one inner ear piece right sides together.
- Sew around the edges, leaving the base open.
- Turn right side out, press, and topstitch **0.5 cm (1/4 in)** from the edge.

- Fold the base in half to create a natural pleat and secure with a stitch.

## 2. Assemble the Body

- If using piping, attach it all around the two side panels before sewing.
- Sew the ears to the top of the front panel, right sides together.
- Pin the two side panels to the main body piece (the large rectangle).
- Stitch along the edges to form a closed tube.

## 3. Close the Base

- Attach the zipper along the bottom length of the pouf.
- Sew the bottom panel carefully in place.
- Turn the pouf right side out.

## 4. Finishing and Stuffing

- Fill with fiberfill or beads, depending on the desired firmness.
- Close the zipper securely.
- Sew or glue the pom-pom onto the back of the pouf.

## Style & Tips

- For a **Scandinavian look**, choose beige linen with Liberty-style cotton ears.
- For a **playful version**, mix colorful stripes or animal-print fabrics.
- Add a **discreet back handle** to make the pouf easy to move.
