## Sewing Instructions – Step by Step

### **1 Prepare the quilting**

- Layer:
    - main fabric (top section)
    - batting
  - Quilt using straight vertical or horizontal lines
  - Lightly press
- 

### **2 Prepare the main piece**

- Transfer the pattern onto:
    - exterior fabric
    - lining fabric
  - Cut **1 piece of each**
- 

### **3 Install the zipper**

- Sew the zipper between:
    - exterior fabric
    - lining fabric
  - Stitch carefully along the full length
  - Topstitch if desired
- 

### **4 Assemble the volume**

- Fold the piece to form the pouch
  - Align the notches to create:
    - the rectangular base
    - the sides
  - Pin carefully
- 

### **5 Final stitching**

- Sew the sides and base
- Leave an opening in the lining
- Turn the pouch right side out

- Close the opening by hand or machine
  - Press gently
- 

## **Style & Tips**

- The quilted top adds softness and elegance
  - The printed cotton base provides extra durability
  - Works beautifully with:
    - corduroy velvet
    - heavy canvas
    - Japanese cotton or Liberty fabrics
  - Optional additions:
    - leather zipper pull
    - piping between top and base for a premium finish
-
