---

## Sewing Instructions – Detailed Steps

### 1 Prepare the pocket

- Place the two back pieces together
- Stitch **only the top of the tooth**
- Turn right side out and press
- Topstitch if desired to reinforce the pocket opening

👉 This step creates the inner pocket.

### 2 Assemble the pillow

- Lay the front piece flat
- Position the pocket (back piece) on top
- Pin all around the edges
- Stitch using a backstitch or straight stitch, leaving a **3 cm opening** on the side

### 3 Stuffing & closure

- Turn the project right side out
- Lightly stuff (soft, not firm)
- Close with invisible stitches
- Smooth the edges

## Optional Finishing Touches

- Decorative blanket stitch (as shown in the photo)
- Name embroidery
- Small smiling face
- Embroidered star or heart
- Contrasting thread for a handmade look

---

## Style & Tips

- ✓ Felt = beginner-friendly
- ✓ Light stuffing → flatter pillow
- ✓ Visible stitching = handmade charm
- ✓ Pocket wide enough for small hands
